

We would ask that you please do not visit Playtown if you feel unwell. We also politely request that you refrain from visiting us if you start displaying any of the symptoms associating with Covid 19.

Hand sanitizer at entrance, at play area entrance and in play area.

Please allow us to take the temperature of everyone in your party prior to entering the play area.

Adults to wear face coverings when entering and in play area. These can be removed when sitting at the tables for drinks and food. Masks will be available to purchase if you forget yours.

Table service.

Reduced numbers in each session.

Regular cleaning of high touch areas throughout the day and increased time in between each session to allow for through cleaning.

Antibacterial fogging.

Contactless payment preferred where possible.

We have multiple sets of the same toys which will be rotated to ensure that every toy is always sanitised.

We recommend booking but will accept walk ins if we have space.

Please do not arrive early for session as we need this time for cleaning.
